

Building on the success of last year's Summer Camps, Gene Ford Music is expanding the scope of this summer's program. Once again, each group will record their CD and there will be an 'End of Summer Concert' featuring all the camp participants.

All students enrolled and actively taking lessons through the summer will receive discounted pricing.

PRICING

Summer roster students:

Only \$230 -- the registration fee will be waived plus you get a 15% discount* (and no registration fee) on additional camps taken by the same student.

*The \$45 studio fee is not included in the %15 discount for those camps.

Non-roster students:

\$260 and \$15 registration. (Studio camps also have a \$45 studio fee.)

BRENTWOOD'S PREMIER MUSIC LESSON STUDIO

2009 SUMMER CAMPS

FOR GUITAR, BASS, & DRUMS

Monday - Friday 9am - Noon

BE PART OF A ROCK BAND!

JUNE 1-5 RECORDING STUDIO I

Last year's *most* popular camp. Learn songs Mon-Thurs. at GFM. Go to a Music Row Studio and record the songs on Friday. Learn basic techniques for getting a performance ready to record and an overview of a pro recording studio. All students must have a ride to and from the studio. An additional \$45 fee is charged for the booking of the studio. [SS](#)

JUNE 8-12 THE HENDREX EXPERIENCE

A great band with the most influential electric guitarist in rock. Different songs from last year. Same great artist. Great parts for drummers and bass players along with a breakdown of some of Jimi's rhythm and lead techniques. [GF](#)

JUNE 15-19 LADIES AND GENTLEMEN ... THE BEATLES!

So many great songs, so little time. Essential songs. [SS](#)

JUNE 22-26 SHREDFEST I

Learn to play like Joe Satriani, Kirk Hammett, Randy Rhoades, Zakk Wylde, and Slash! Techniques include speed picking, tapping, shredding patterns, shredding rhythms, and more! Also learn to create your own solos with the use of scales and arpeggios. [ML](#)

JULY 6-10 WHITE STRIPES & JACK WHITE

One of the great rock artist/producers of the New Millennium and a student favorite. [SS](#)

JULY 13-17 SHREDFEST II

A more advanced shredding course covering master shredders like Buckethead, Eddie Van Halen, John Petrucci, and Steve Vai! Techniques include sweep picking, advanced tapping, legato (left-hand) playing, advanced shredding rhythms and patterns, and more! Learn to create solos that work over various chords and key changes. [ML](#)

JULY 20-24 RECORDING STUDIO II

Get a second chance at last year's *most* popular camp. Same as *Recording Studio I* but with entirely different songs for those who love this camp. All students must have a ride to and from the studio. An additional \$45 fee is charged for the booking of the studio. [SS](#)

JULY 27-31 LED ZEPPLIN

Variety of styles and songs. Acoustic classics and Rockin' epics showcase this multi-faceted band. [GF](#)
